**ITEEA - Epsilon Pi Tau Exemplary Initiation & Reception**

(This function of ITEEA's official honor society is open to all conference participants to observe. Come and enjoy and celebrate this special anniversary function. The approximately 40 minute ceremony of initiation will be conducted by a team of ITEEA leaders. Witness the traditions of Epsilon Pi Tau, the official honor society for ITEEA that has played an historic positive role in the development of your profession. Be refreshed on hearing universally applicable values and precepts related in a delightful, meaningful and inspiring fashion. Congratulate the selected ITEEA members, officers and past officers who will be inducted and other long-standing Epsilon Pi Tau members who will receive Epsilon Pi Tau Honor citations.)

Ritual Team: Leaders in ITEEA and the technology professions
