Maryland Technology Education Open Position List | 2009-2010

This document outlines the list of open Technology Education position in the state of Maryland. This document will be updated biannually during the months of March and October, to coordinate with the graduation dates of teacher education programs. Any local school system leader wishing to post position announcements can contact Luke Rhine at the email address or phone number listed below. Mr. Rhine would be pleased to assist you in posting positions.

Any individual wishing to pursue a teaching position in Technology Education in the state of Maryland should contact the local school system leaders herein. Each local school system leader will be able to clarify the position description and confirm its availability.

As there continues to be a shortage of Technology Education teachers in Maryland, we are encouraging the use of this document to assist in filling vacancies. This document will be shared with potential graduates from the University of Maryland Eastern Shore (UMES), the University of Maryland Baltimore County (UMBC), Ball State University, Indiana State University, Millersville University, The Ohio State University, Old Dominion University, Purdue University, Southwestern Oklahoma State University, State University of New York at Oswego, St. Cloud State University, and Valley City State University as a means of recruiting new teachers. This document will also be shared with the Technology Education Association of Maryland (TEAM) and the International Technology Education Association (ITEA). Please contact Luke Rhine to provide suggestions for additional colleges, universities, or professional organizations.

Luke Rhine
