

It pays to be early.
Literally.

ITEA members who preregister for the 2008 Salt Lake Conference before January 18, 2008 will save nearly 15% over the onsite registration rate. Names of those who preregister will be entered into a drawing for a \$100 Visa Gift Card.

Book your hotel before January 18 using the ITEA Room Block to save over 30% on a hotel room!*

Remember, the conference is EARLY this year!
Mark your calendar for February 21-23, 2008.

You won't want to miss:

- Keynote address by educator astronaut Barbara R. Morgan
- Keynote address by Robert Ballard of the JASON Project
- Over 100 Professional Development Learning Sessions
- Dozens of cutting-edge vendors, bringing the latest in materials, equipment, and services
- Seven additional specialized workshop topics, including Robotics, Flash Animation, and Engineering Concepts
- Educational/Industry Tours covering Communications, Medical, Mining, Aviation and Aerospace Technologies

Be the early bird. Catch the worm. Register today!
